Catalogus Deuren

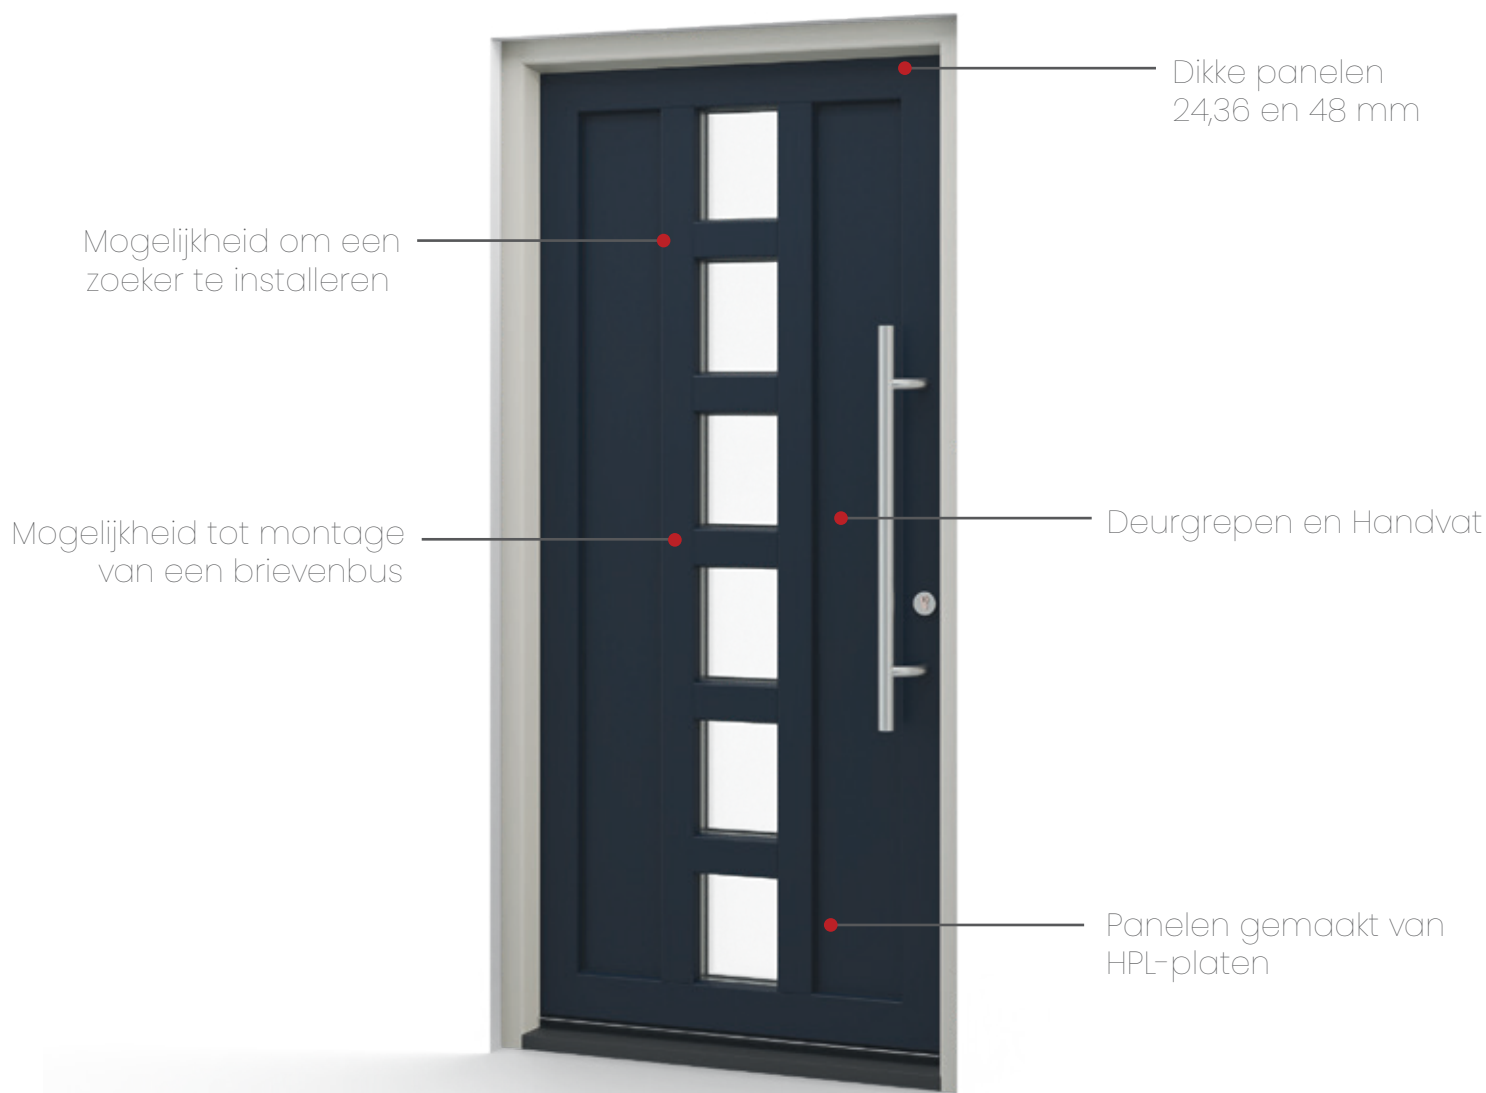

Rechtstreeks uit
de fabriek
voor jouw project

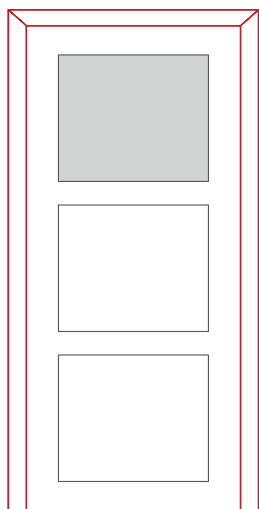

PVC Model Deuren

Wij creëren modeldeuren op basis van de meest populaire raam- en deursystemen in ons aanbod. Op deze manier garanderen we een perfecte esthetische consistentie van het schrijnwerk door het hele huis. We gebruiken oplossingen met de beste prestatieparameters.

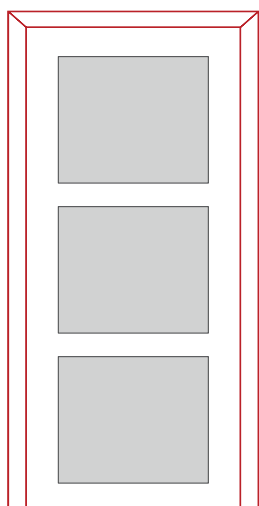

De panelen kunnen verschillende beglazingen gebruiken en dezelfde kleuren gebruiken als de ramen.
